LIVING ROOM

A contemporary living room that blends warmth, elegance, and artistic balance. The Link sideboard in Cappuccino Walnut finish becomes the focal point, with its refined glass doors framed in graphite nickel and softly illuminated interior that adds depth and atmosphere. Surrounding it, the Tone tables bring a playful rhythm with their rounded silhouettes, layered heights, and subtle contrasts of colour — from mink lacquer to moss green. Soft curves and contrasting materials create a sense of balance and sophistication, making this setting a true reflection of contemporary luxury with timeless character.

SALÓN

Un salón contemporáneo que combina calidez, elegancia y equilibrio artístico. El aparador Link en acabado Nogal Cappuccino se convierte en el punto focal, con sus refinadas puertas de cristal enmarcadas en níquel grafito y un interior suavemente iluminado que aporta profundidad y ambiente. A su alrededor, las mesas Tone introducen un ritmo dinámico gracias a sus siluetas redondeadas, alturas combinadas y sutiles contrastes de color —desde el lacado visón hasta el verde musgo. Las formas suaves y la combinación de materiales contrastantes crean una sensación de equilibrio y sofisticación, convirtiendo este ambiente en una verdadera expresión de lujo contemporáneo con un carácter atemporal.
